Experience

UHDS Oregon State University **Web Designer**

Designed, built and carried out user research for all the university housing and dining websites reaching 200k page view a month. Focused on accessibility, product usability, concept testing, and user experience.

June 2016 to July 2020 - Corvallis, OR

Flux Studio **Digital Designer**

Redesigned a website, newsletter and digital marketing campaign for the OSU Graphic Design program. Collaborated with and mentored other designers.

September 2019 to May 2020 - Corvallis, OR

Mobile Touch Inc. **Product Designer**

Led the design process at a startup to create a social platform for iOS, and Web. Worked with product owners and software engineers in Agile. Lead whiteboarding sessions, critiques and design reviews to drive product direction.

June 2014 to June 2016 - Corvallis, OR

Diamond Resorts International **Design Intern**

Learned and collaborated with a team of designers and content editors. Designed marketing emails and printed promotional materials. Organized design files and print materials.

June 2012 to September 2012 - Las Vega, NV
