Experience

Postal Ux Designer

Used data to redesign Postal's main product, email templates and chrome extension. Building and managing Postal's first design system in Figma.

February 2022 to October 2022 – San Luis Obispo, CA

Nike Digital Content Producer

Worked with teams to deliver high quality content and tools to regional partners in Asia, Pacific Islands, Latin America, and Australia.

October 2021 to February 2022 – Hillsboro, OR

CMD Agency Studio Designer

Worked with agency team members and clients. In a fast pace environment where I designed various different projects. Ranging from print, presentation, social media, websites and email newsletters.

November 2020 to October 2021 – Portland, OR

UHDS Oregon State University Web Designer

Designed, built and carried out user research for all the university housing and dining websites reaching 200k page view a month. Focused on accessibility, product usability, concept testing and user experience.

June 2016 to July 2020 – Corvallis, OR
